ORDER:

In the G.O.1st read above, Government have granted Mining Lease for the minerals Gold, Silver, Copper, Lead and Zinc and all other associated minerals for over an extent of 597.820 hectares in Sy.Nos.128/P, 131/P, 132/P, 133 to 140, 147/P, 149/P, 150/P, 151 to 207/P, 208/P, 210/P, 388/P, 390/P, 406 to 409, 411 to 437, 439, 454 to 458, 465/P and 470/P of Pagadray Village, Sy.No. 598/P, 599/P,600, 601/P, 602/P, 611/P, 619/P, 620/P, 621 to 652, 676, 677/P, 678/P of Jonnagiri Village and Sy.Nos. 251 to 253 & 255 to 272, 454, 455 & 456 of Yerragudi Village, Tuggali Mandal, Kurnool District for a period of 30 years in favour of M/s. Geomysore Services India (P) Limited, under Rule 22 of Mineral Concession Rules, 1960, and as per Provisions of the MM(D&R)Act,1957 and the Rules made there under and also as per the additional conditions specified in the Appendix to the order. The same was executed on 21.10.2013 in favour of M/s Geomysore Services (I) Pvt Ltd for a period of 30 years vide Procd No.747/M4/2004, Dt.21.10.2013 of the then Asst.Director of Mines & Geology, Kurnool.

2. In the letter 2nd read above, the Director of Mines and Geology, A.P., has informed that, M/s Geomysore Services (I) Pvt Ltd vide their letters

dt:24.05.2023 and 20-06-2023 had brought to the notice that some of the survey numbers mentioned in the lease deed are not matching with the executed plan (on par with the DGPS plan). To understand the DGPS issue in detail, Mandal Revenue officer and Mandal Surveyor with their team have carried out survey in the entire Mining Lease and submitted a report vide letter RC.B/367/2023, Dated 19.12.2023.

3. The Director of Mines and Geology, A.P., has stated that that as per Joint Inspection Report, initially in the year 2013, while granting the lease, Tahsildar gave NOC for 1477.21 acres / 597.820 Ha, without furnishing the survey number wise extents. Further, as per the recent report submitted by Tahsildar, Tuggali, the total extent of the Mining Lease is mentioned for 1481.53 (excluding Anjaneya swamy temple area and as per field measurement book extents) acres, whereas, as per granted co-ordinates it is 1477.21 acres excluding the temple area of 5.39 acres. But, the extent furnished by the Tahsildar in his recent letter was 1481.53 acres / 599.567 Ha, out of which an extent of 3.30 acres i.e., 613/2 - 0.19 acres, 617/1A – 0.12 acres, 617/1B – 0.3 acres, 617/2A – 0.85 acres, 617/2B – 0.33 acres of Jonnagiri village. 273/1 – 0.41 acres, 273/1 0.72 acres, 453/2 – 0.34 acres, 467 -0.04 acres of G Yerragudi village not present in the executed lease deed and its plan. Hence the extent of 3.3 acres is not incorporated. In view of this, the area came to 1478.23 acres / 598.235 Ha. Further, as per the DGPS plan, the extent is 595.676 Ha / 1471.91 acres, the extent of the Patta lands in the Mining Lease is 487.681Ha / 1205.06 acres and the total extent of Assessed waste / Un-assessed Waste / Assigned etc.. lands are 110.55 Ha / 273.17 acres.. (487.681+110.55=598.235). The extents of 26.64 Ha / 65.83 acres of G Yerragudi, Pagidirai villages which are Intersecting / falling in the Mining Lease boundary are not there in the lease deed but the same area is in leased plan. So, these survey numbers have to be added to the lease deed. After DGPS survey, certain Survey numbers which are in lease deed are falling completely outside of the lease boundary, hence the same are to be removed from the executed lease deed. The extents of 164.02 acres belonging to G Yerragudi and Pagidirai which are falling completely outside of the Mining Lease boundary which are there in the Lease deed are to be removed.

4. The Director of Mines and Geology, A.P., has also informed that, after receipt of the further detailed report from the District Mines and Geology Officer, Kurnool, the same has been referred to the Drawing Branch for

verification of the lease deed sketches and DGPS surveyed sketches. The Drawing Branch has verified the Sketches and reported that the extent of grant is 597.82 Hect./1477.21 Acs. After DGPS survey, the final area is 595.676 Hects. The difference is 2.144 Hects which is a permissible limit of +/- 5% as per Survey boundaries Act 1923 and recommended to consider the extent of 597.820 Hects initial granted area (list of the survey numbers mentioned in the Annexure)of Jonnagiri Village, G. Yerragudi Village, Pagidirayi Villages of Tuggali Mandal of Kurnool District in the lease deed plan in favour of M/s.Geomysore Pvt Ltd., subject to maintain 50 Mts buffer zone to roads, Railway lines and Temple and other public importance structures and subject to satisfaction of A.P.M.M.C. Rules 1966 . Further, the lessee company vide their notarized affidavit dt.06-01-2024 submitted undertaking that, they will not disturb or conduct the mining activities in the public road, railway property buffer margins mentioned in their lease deed maps.

5. The Commissioner and Director of Mines & Geology, A.P., has therefore requested the Government to consider the request of the lease holder and issue necessary modification orders over an extent of 597.820 Hec./1477.21 Acs. in certain survey numbers mentioned in Annexure as per the DGPS sketch of the Mining Lease area held by M/s Geomysore Services (I) Pvt Ltd in Jonnagiri, G.Yerragudi, Pagidirayi Villages of Tuggali Mandal of Kurnool District for Gold, Silver, Copper, Lead, Zinc and all other Associated Minerals. Since the original extent of grant is 597.82 Hect./1477.21 Acs. After DGPS survey, the final area is 595.676 Hects. The difference is 2.144 Hects which is a permissible limit of +/- 5% as per Survey boundaries Act 1923. Subject to maintain 50 Mts buffer zone to Roads, Railway lines and Temple and other Public importance structures and subject to satisfaction of M.C. Rules 1960 and also subject to the conditions imposed at the time of original grant.

6. Government, after careful examination of the facts and circumstances reported by the C&DM&G, A.P, hereby modify the orders issued in the reference 1st read above over an extent of 597.820 Hec./1477.21 Acs. In survey numbers mentioned in Annexure appended to this G.O, as per the DGPS sketch of the Mining Lease area held by M/s Geomysore Services (I) Pvt Ltd in Jonnagiri, G.Yerragudi, Pagidirayi Villages of Tuggali Mandal of Kurnool District for Gold, Silver, Copper, Lead, Zinc and all other Associated Minerals, subject to maintenance of 50 Mts buffer zone to Roads, Railway

lines and Temple and other Public importance structures and subject to satisfaction of M.C. Rules 1960 and also subject to the conditions imposed at the time of original grant.

7. The Commissioner & Director of Mines & Geology, AP., shall take necessary action accordingly, after satisfying himself that the grantee fulfils all the required terms and conditions as stipulated in the matter.
